

**CYCLE WINCHESTER | MAKING WINCHESTER BETTER BY BIKE**

**BIKE ALONG TO THE 4th  
CYCLE WINCHESTER  
MASS RIDE**

**SATURDAY 12th OCTOBER  
FROM 10am**

**Full details at [cyclewinchester.org.uk](https://cyclewinchester.org.uk)**

On the morning of Saturday 12th October Cycle Winchester invites you to join us on our 4th Mass Ride, bringing riders from pick-up points around the city to converge on the central one-way system for a processional lap, before finishing at Abbey Gardens for a short celebratory gathering. Rides start at 10am and we anticipate the event finishing at around 11.30am.

## Why are we riding?

Our aim is to get more people cycling, more often. We celebrate the joy of cycling: a convenient, healthy, clean and inexpensive way to get around Winchester. The ride will help create a vision of a better Winchester, where a critical mass of cyclists makes cycling safer and more enjoyable.

## Is anyone welcome to join the ride?

We welcome cyclists young and old; in fact anyone who has a roadworthy bike is welcome – just check brakes and tyres before setting off! The ride will take place on open roads, but there will be experienced cyclists marshalling the group for safety.

## Where can I join the ride?

Rides will depart at 10am from the four locations listed below. Each will briefly stop at a second pick-up location, then proceed to King Alfred's statue for a grand procession around the city centre.

For full details please visit our website: [cyclewinchester.org.uk](http://cyclewinchester.org.uk).
